

Dear Club Leader/Secretary

Thank you for showing interest in affiliating your organisation to CYP Scotland through your local Federation.

There is a two step procedure to follow. Step 1, download the Application and Annex forms, these should be completed in full using BLOCK CAPITAL LETTERS. On completion it MUST be forwarded to your Federation Secretary see below: with the correct affiliation fee of £25 (payable to CYP Scotland, do not send the forms to Giles Street) Once the local federation has processed and approved your application, including a site visit, it will be forwarded to this office. (Federation may charge a local affiliation fee)

On receipt of the completed forms a Disclosure information pack will be forwarded to you. This pack will guide you through step 2 enabling us to carry out Disclosure checks, on your behalf, on all leaders/volunteers within your organisation if required. Disclosure checks are mandatory and forms part of our membership criteria.

Should you have any questions please do not hesitate to contact your local Secretary in the first instance.
